زهرة القطن
ZAHRET ALCOTTON

بدأت زهرة القطن رحلتها في عام ١٩٥٢م وسُجّلت في الجمهورية العربية السورية لدى وزارة الصناعة في عام ١٩٥٥م بدمشق. وتخصصت بإنتاج الألبسة الداخلية القطنية التي تلبي احتياجات جميع أفراد العائلة (الألبسة الرجالية والنسائية وألبسة الأطفال) بدءاً من إنتاج الأقمشة والتفصيل والخياطة وصولاً إلى المنتج النهائي.

وتسعى شركة زهرة القطن دائماً لمواكبة آخر التقنيات الحديثة في عالم النسيج والخياطة. واليوم وبعد أن تجاوزت الشركة الخامسة والستون عاماً من الخبرة والتطور والسعي للأفضل وذلك بانتقاء أجود أنواع الخيوط القطنية والدقة في العمل بحسب كل مرحلة زمنية مررنا بها، أصبحت شركتنا من الشركات السورية الرائدة في هذا المجال.

ورثنا في شركة زهرة القطن عن آباءنا، مبادئ أساسية للوصول إلى منتج مميز، ولم نكن لنصل لهذا التميز دون المتابعة المستمرة ومراقبة الجودة في جميع مراحل الإنتاج.

تهدف شركتنا إلى التنوع في الأصناف والموديلات مع الحفاظ على جودة منتجاتها، كما تعمل بشكل مستمر على التوسع في شبكة المبيعات والتسويق، لخدمة زبائننا الكرام بالشكل الأمثل.

ZAHRET ALCOTTON Company started its activity since 1952 in Syria, and in 1955, the Company was registered with the Ministry of Industry in Damascus - Syrian Arab Republic.

The Company is specialized in producing cotton underwear for all family members (men, women & kids) starting from producing fabrics, to tailoring & sewing, until submitting the final product.

ZAHRET ALCOTTON Company always seeks to keep up with the latest technologies in textile and sewing machinery; and today, after sixty five years of experience and development, by selecting the best types of cotton yarns, and maintaining high level of accuracy in work, along our work history; our company has become one of the Syrian leading companies in this field.

We in **ZAHRET ALCOTTON** Company have inherited essential principles from our ancestors in order to submit a distinguished product. We would not reach to this level of excellence without continuous monitoring and quality control at all stages of production.

Our company aims to expand its product range, by creating new types and models & keeping the quality of our products, and it always works on spreading the sales network, to be able to serve our respected customers in an optimum manner.
